You're holding up that tree pretty well, Lora.
 Passing fancy.
 Doesn't it sound like Wagner, Mr. Wade?
 William Portice, Our faithful Engineer.
 We really are tired after marching THAT far.
 Mr. Frank Staiger addressing the students of PHHS at an assembly.
 Where's that smile?

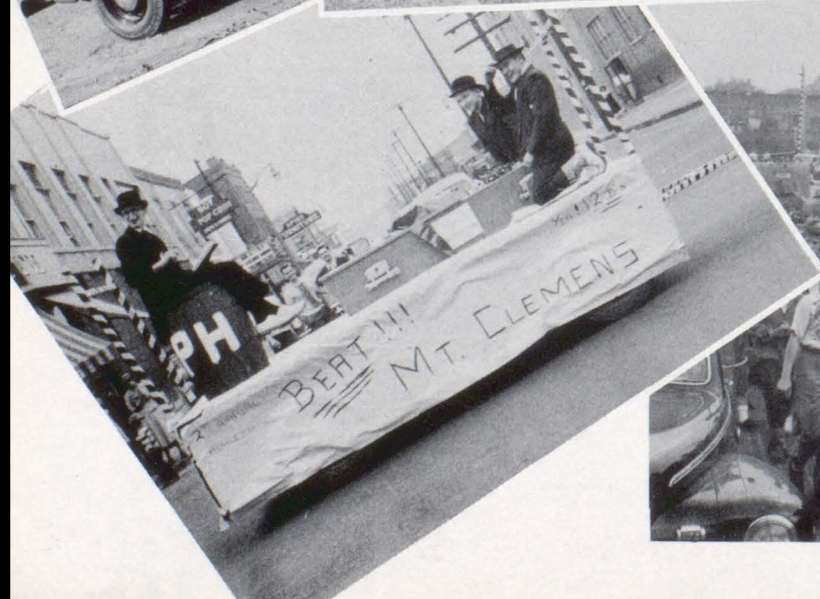

What gives?
 Oh, for the life of a counselor.
 "Barefoot boy with cheeks of tan", eh Tom?
 Don't just stand there, blow!
 Looking for someone?
 Some dancers!
 THESE are football players?
 "Silence is golden", but not in study hall.
 Wasamatter, Myrna?
 Have you ever seen a monster smile?
 "Sleepy Time Gal" (s)
 --and she's off like a herd of turtles.

The Student Council, with the able help of Miss Muhlitner, has carried on many worthwhile projects this year. Among these were the annual Homecoming, Student Management Day at the Carroll House, the magazine sale and Twirp Season. They have worked towards better drinking fountains, interesting trophy case displays, and neater halls.

MUSIC IN THE AIR

Miss Hyde

---Especially in the area of 305. That's where the choir and the various music clubs hold sway, with Miss Bess Hyde as director.

Preparing for the annual Christmas Concert, the County Festival, and the State Festival keeps the choir busy. All is not work, however. The members frequently get together for square dancing and parties.

The clubs meet mostly for the joy of singing together, but they do a lot of hard work too.

Chorus is open to anyone in the school who has the third hour free on Monday and would like to spend it in singing. There is valuable practice with constructive criticisms for members of the Solo Training Club. The Ensemble is composed of choir members. The Girls' Ensemble on Thursday and the Boys' Glee Club on Friday have fun making music together.

Cooperative Vocational Education

Sears Retail Training Unit was donated to Port Huron High School in September 1947. Port Huron was the only High School in the State to receive this reward

Cooperative occupational training has become an integral part of the curriculum in Port Huron High School.

During the present semester 125 students are majoring in some form of cooperative vocational education.

In general the student's program is based on the 4-4 system with four hours in school and four hours on the job each day.

Upon graduation many of the students continue on a full time basis working on the job for which they are training while in school.

A student's job to qualify under the program must have definite learning situations. (Some of the jobs held by students include working as a typist, auto mechanic, gas station operator, salesman, receptionist, cashier, window trimmer, pipe fitter, surveyor's assistant, stockman, biller, bookkeeper, and many others.)

These cooperative occupational programs are divided into three departments with a separate coordinator hired to supervise the Office Training, Retail Training, and Trade and Industry divisions respectively.

When a student starts a cooperative program, a training agreement is drawn up and signed by the student, his parents, the employer, and the school. Each marking period the employer, in cooperation with the coordinator, grades the student on his progress on the job.

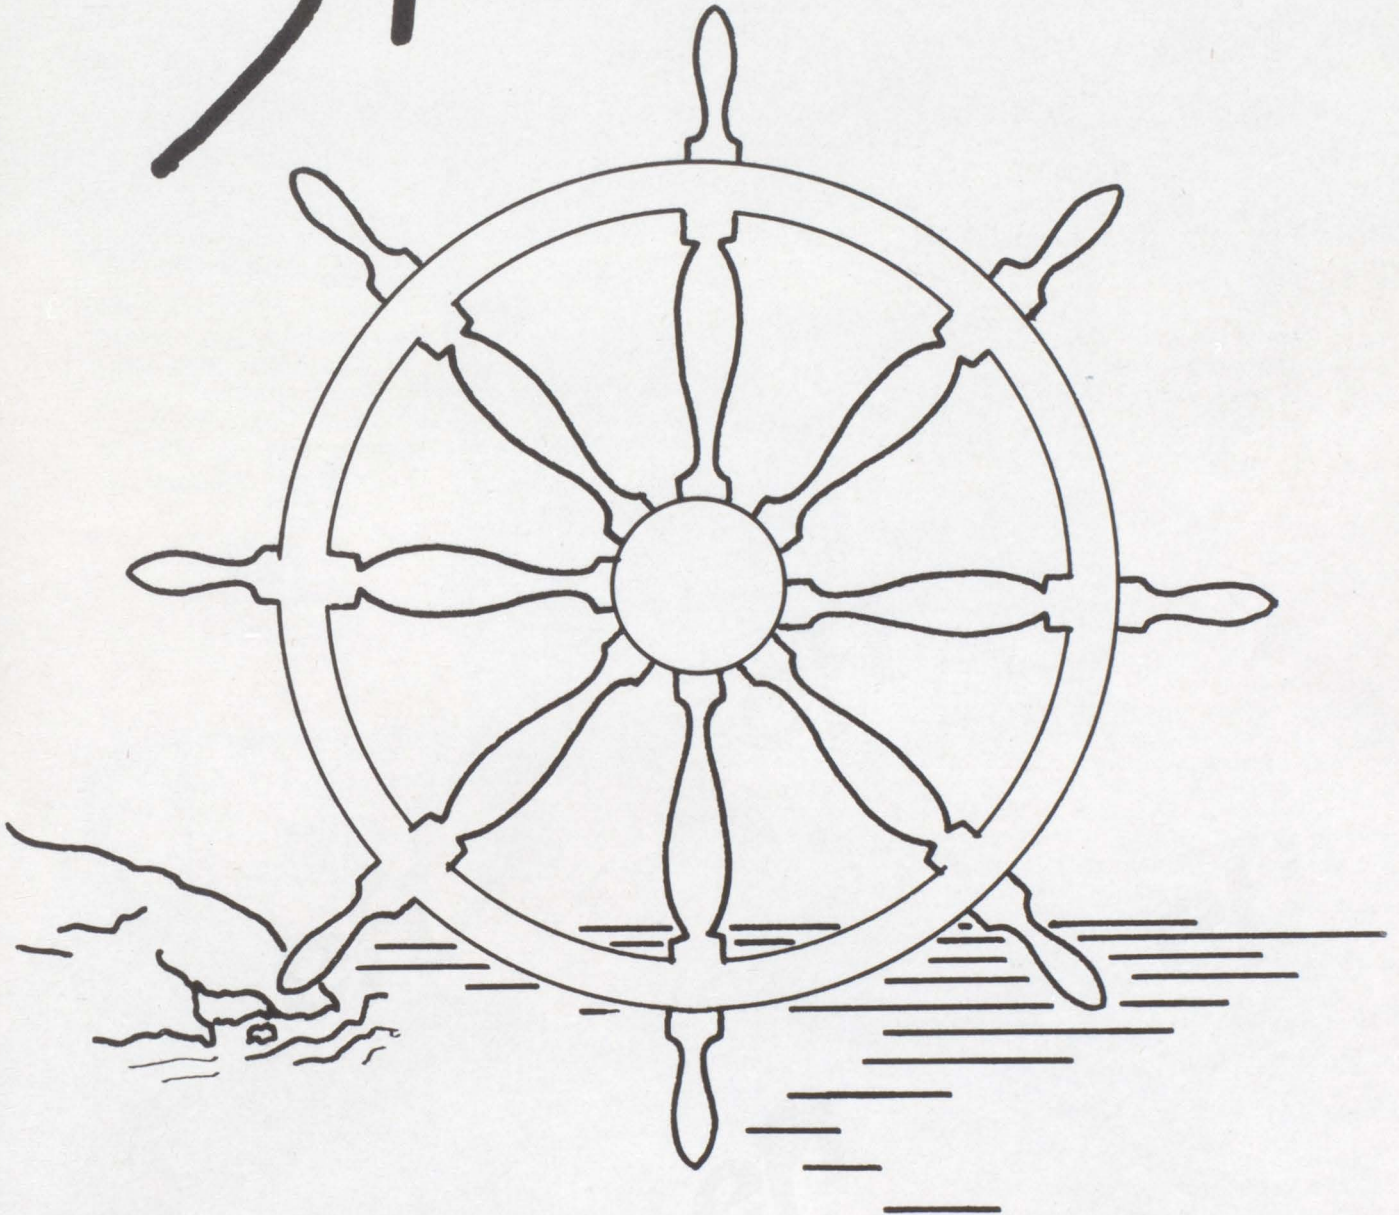

This entire training set-up is organized in cooperation with the State Board of Control for Vocational Education in Lansing and is subsidized by special State and Federal Funds under the Smith-Hughes and George-Barden Acts of the Federal Congress.

Varsity Football Team

This was the year! The Big Reds swept by all opposition in football to earn an undefeated season. Not only did the Varsity win the championship of the Eastern Michigan League, but it had the best defensive record of Class A schools in the state.

Every first-stringer of the Big Reds was represented on some all-state team. Tom Fead made two prominent all-state teams.

The defensive unit of the Big Reds sparked by Staiger, Durand, McKinch, and Yeager was unscored on. For that matter, any combination in the Port Huron line gave yardage grudgingly.

The leadership of Adkins and Fead was of a caliber second to none in the State of Michigan.

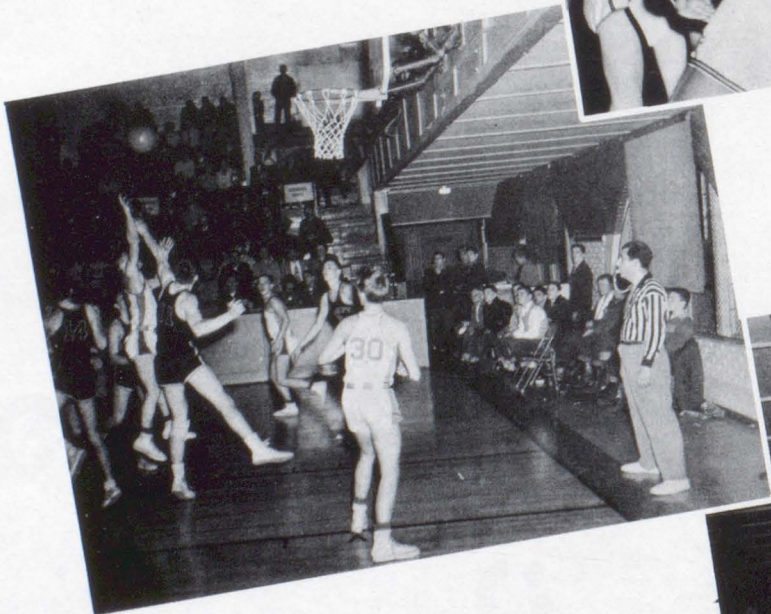

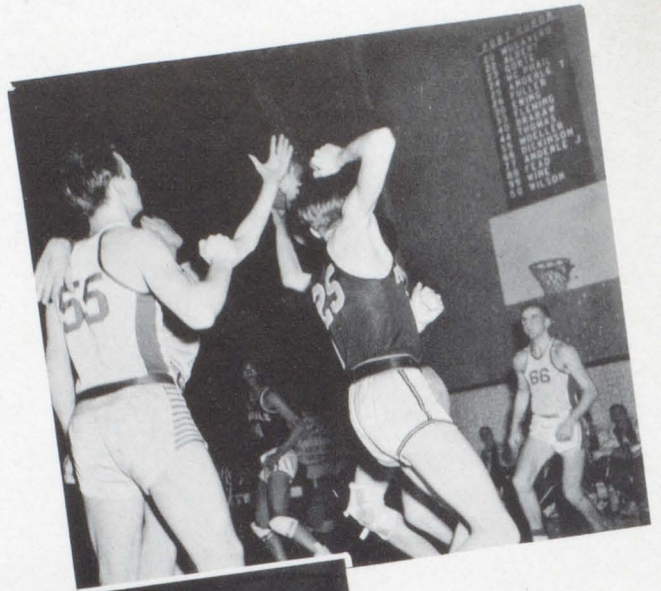

George Buchanan and John Hall, the offensive guards, were excellent--and underrated.

Chuck Winkelman's educated toe provided timely and accurate kicking.

Memories of the fleet Hagle, fast and powerful Hazely, and the brilliant Thomas, piling up points for P.H.H.S. will add luster to a school already famous for its athletes.

Congratulations, team, for a super-year and to Mr. Hayes, a sterling coach.

1951-1952

Basketball Team

FIRST ROW, LEFT TO RIGHT: Fred Albert, Burt Mugavero, Frank Moeller, Tom Fead, Tom Anderle, Jerry Thomas, Irv Fleming. SECOND ROW: Coach Reed Laughlin, John Fuller, Jim Dickinson, Gus Ewing, Jack MacPhail, John Anderle, Ray Wilkens, Assistant Coach Bob Hayes. THIRD ROW: Richard McDonald, Dick Daly, Richard Falk, Neil Gilmore, Jim Spradlin, John Thomas, Jack Bradley. TOP ROW: Mgr. Jim Chidester, Mgr. Dick Paeth, Laurie Brown, Jim Gorinac, Paul Heald, Jack McDonald, Bob Boyd, Mgr. Al Mugridge, Mgr. Dee Ackles.

The six won and ten lost record of the 1951-'52 team does not give the true story of the season. The team finished in a tie for fourth place with Mt. Clemens in the Eastern Michigan League and won three of five games with non-league opponents before being whipped by Saginaw Arthur Hill in the first game of the Regional Tournament at Flint.

However, with just sixteen more points spread around in the right places, this team would have finished in first place in the league. Only East Detroit was able to beat them by more than five points. This defeat was on the East Detroit floor after the two teams had played an overtime game at Port Huron which East Detroit also won by a margin of one point. Ferndale, the league champion, had to come from behind twice to earn four point victories over the Reds. Mt. Clemens, Birmingham, Hazel Park, Grosse Pointe, Toledo Waite and Midland fell victim to the team's desire to rebound in the win column. The victory over Midland boasted the early season's fating because Midland was unbeaten up to that time. The victory over Mt. Clemens was perhaps the sweetest because it gained revenge for an earlier defeat and was gained after an uphill struggle through an overtime period. The sixty points in the Grosse Pointe game and the sixty-two in the Birmingham game were the highest during the season.

Fred Albert was elected honorary captain by the team members. Tom Fead was awarded the Rotary trophy for the most outstanding player and Jerry Thomas received the Clarence Phare Sportsmanship trophy. Frank Moeller scored 148 points for an average of 9.2 points per game. Tom Fead was second in point getting with 140 and Fred Albert scored an even 100. Frank also got the most points in a single game when he got 22 against Mt. Clemens and Irv Fleming was next with 20 against Grosse Pointe.

Baseball Team

TOP ROW: Spurgie Morris, Mgr. , Willard Noble, Coach Heering, Leslie Johnson, Mgr. SECOND ROW: Fred Albert, Bill Jacobson, Gary Zink, Harry Kerr, Walt Pringle, Dick Klaus, Bob Erwin, Bob Haacke. FIRST ROW: Chas Hazely, Harry Adams, Joe Denman, Alger Bush, Hal Cruger, Co-Capt., Jack Hicks, Alfred Davis. MISSING: Co-Capt., Ed. Mitchell, Chas. Treend.

The baseball team of 1951 was typical of teams that represent Port Huron High School. They played to win and gave all they had in a clean, sportsman-like manner. After losing two games to Flint Northern, they came back and won six in a row. They lost a tough game to Ferndale 4-3 on a squeeze play in the 9th inning. The Birmingham game was played here for the championship of the league and a homerun in the 1st of the 12th inning won for Birmingham 5-4. Our outstanding players were Co-Captains Ed Mitchell and Hal Cruger. Others who turned in creditable performances were Alger Bush, Harry Adams, Jack Hicks, Chuck Treend, Charles Hazely, Joe Denman, and Alfred Davis.

The difference of one run in two different ball games only proves that baseball is a game of inches.

They finally broke into the win column by defeating East Detroit 19-6; Hazel Park 9-0 in water and slush on the practice field; and Almont 19-7. The Girls' Athletic Association of Port Huron High offers all girls an opportunity to participate in sports of various kinds such as group sports, basketball, volley ball, softball, and hockey. Individual sports such as ping pong, archery, badminton, tennis, and shuffle board. Some square dancing is taught on special days. One day a week a leadership class is held to teach girls how to referee, umpire, etc.

The GAA sponsors the sale of football programs, pencils, and pins, during the school year to help finance their banquet, letters, medals, and play days.

The GAA is a member of the Girls' Eastern Michigan league and takes part in the E. M. L. seasonal play days.

Some six teams of basketball and softball, and twenty five tennis players participated in City League the past year.

PORT HURON BUSINESS COLLEGE offers graduates of Port Huron and vicinity an opportunity to complete an approved business course ranging in length from 9 to 24 months without leaving the community. Graduates who have started commercial courses in high school may complete such courses in less than the scheduled period of time. Because of its proximity to the Blue Water district, courses may be completed without the expense of board and room away from home.

THE STAFF and ADMINISTRATION of the College join in wishing the graduates of Port Huron High the best of everything, and cordially invite them to join its student body if the best in business education is desired.
